LET THERE BE MUSIC... Two "Oscars" stare from the top of the piano of Leigh Harline, resident of the Portuguese Bend Club, who won the Motion Picture Academy of Arts and Sciences awards for writing the music for the film "Pinocchio," and for the hit song from the Walt Disney film, "When You Wish Upon a Star." Harline has been engaged in writing background music for about five films a year since he left Walt Disney in 1941. The "Oscars," by the way, don't look like the regular statuettes because they were issued in wartime, when even "Oscars" were rationed.

Hite Tells Area Vote Registrars

Thirteen persons from Torrance have been named to register voters for the November election, according to a report issued by Benjamin S. Hite, County Registrar of Voters.

Voters will be registered by these field representatives until Sept. 9. Registrations will also be accepted at the Torrance City Hall.

Registering voters will be Paul L. Burnham, 380 Crenshaw Blvd.; Mrs. Shirley G. Felts, 22309 S. Western Ave.; Mrs. Olea M. Brown, 2035 Middlebrook Rd.; Mrs. Irene F. Wilkes, 2717 W. Carson St.; Mrs. Theresa H. Fetherolf, Apt. A, 2045 Torrance Blvd.

Registrars in the Hollywood Riviera district will be William A. Mason, 294 Via la Circular; Mrs. Agnes B. Jones, 251 Calle de Andalucia; Mrs. Lynetta M. Bowman, 311 Calle de Andalucia, and Mrs. Catherine S. Peters, 226-B Calle Miramar.

Registering voters in Dominguez will be Oscar B. Jackson, 18813 Avalon Blvd.

Voters registrations in the Keystone area will be handled by Mrs. Blanche L. Doyle, 515 E. 238th Pl.; William E. J. Doyle, Mrs. Judith G. Bergquist, 23317 S. Anchor Ave., and Mrs. Anna C. Sumerack, 1042 East Rd.

At the same time, Hite reminded voters that they must register by Sept. 9 in order to be eligible for the Nov. 2 election. Most of the registration places are private residences, and voters will be able to register at reasonable hours.

Persons who have changed their names or addresses since the last election, those desiring to change political affiliation, persons recently becoming of age, new residents of Los Angeles County, and persons whose registration was cancelled for failure to vote in 1952 should register.

Qualifications for voting require that a voter be 21, have a year's residence in the state and 90 days in the county, be able to sign his name and read English, and be a naturalized citizen for at least 90 days. Persons recently naturalized must show their papers to the deputy when registering for the first time.

Hite Names Six Deputies

Wishing on Star Brings Success

The recent revival of the Walt Disney classic "Pinocchio" brings back memories of Leigh Harline, resident of Portuguese Bend and uncle of the Harline clan of Walteria.

Harline wrote all the music for the film and was awarded "Oscars" for the score and for the tune "When You Wish Upon a Star."

The memories are even more poignant because the composer has been nominated for an "Oscar" seven times since "Pinocchio" in 1940, but has never quite made it.

Since that time, he has composed the dramatic music (background music) for about five motion pictures each year—films like "Pride of the Yankees," "I Want You," "The More the Merrier," and the recent Martin and Lewis movie "It's Only Money."

His latest film, "Broken Lance," with Cinemascope, Spencer Tracy, and Richard Widmark, opened Friday at Grauman's Chinese Theatre. The film was a milestone in Harline's life—it was his first Western.

Harline's career began in 1928 when he left the family home in Salt Lake City, Utah, to strike out for Hollywood and success. Success came, but not before the young composer had done his share of starving.

He began in radio, arranging music, playing the organ and being program manager of various shows. Then one day, Walt Disney heard the Harline music, liked it and hired him. He stayed with Disney until 1941, just after "Pinocchio," during which time he also did the dramatic music for "Snow White."

Now a top notch composer for films, Harline dreams of the day when he can devote most of his time to symphonic music. His best known serious composition, "Civic Center Suite," has been played by major symphony orchestras all over the world and has had 48 performances.

The youngest of the Utah Harlines, Leigh came to California first and was followed by Horace, Redondo builder, father of Leigh and Lloyd Harline, of Walteria.

Has Relatives Here
The composer has five nephews and two nieces, all of whom were raised here.

His next project in music is to rewrite two movements of a symphony he composed for the Centennial celebration in Salt Lake City and make a major symphonic piece of it.

It all goes to show what can happen "When you wish upon a star..."
